

## Santa Coloma

This is my city  
I really love it  
Not Barcelona  
Santa Coloma

Lots of cultures are in it  
And we are sharing good moments  
Santa Coloma

Tell me why  
Don't you come here on the metro  
Tell me why  
Don't we go play in the Besos  
Tell me why  
Aren't we dancing in the Festa Major  
in Santa Coloma

Why don't you come to Vila  
Where we spend the special  
Days of our lives  
Santa Coloma

Tell me why  
Don't you come here on the metro  
Tell me why  
Don't we go play in the Besos  
Tell me why  
Aren't we dancing in the Festa Major  
in Santa Coloma

Come try the restaurants that we have around  
Like Lluerna and Verat  
No matter the price  
I want you to know  
That the food is really nice

This is our city  
A lie, don't trust it  
Don't come (x3)  
We're lying to you

Ain't nothing but a headache  
Ain't nothing but a facade  
It's never gonna be the same  
Don't come to this place

Tell me why  
Ain't nothing but a headache  
Tell me why  
Ain't nothing but a facade  
It's never gonna be the same  
Santa Coloma

Tell me why  
Don't you come here on the metro  
Tell me why  
Don't we go play in the Besos  
Tell me why  
Aren't we dancing in the Festa Major  
in Santa Coloma
